

## Annuity

### Topsider Fixed Indexed Annuity (FIA) Enhance Your Growth Potential

The Oceanview Topsider Fixed Indexed Annuity (FIA) offers principal protection with enhanced growth potential through the Gain Control Option. By incorporating the Gain Control Option within an S&P 500 crediting strategy, the Topsider FIA empowers clients to adapt their retirement savings approach based on their changing needs and market conditions.

### A Few Enhancements Have Gone Live

Comp increase on OptiBlend 5 & 7 attached “Street Comp”(LNL Producer A) and “Master Selling Agreement Broker Dealer”(BD w-Wholesaler). In general, it was a 50bps increase to ages 0-74 but we did make a tweak on the 7yr MSA to give you more override.
